

Atchison Hospital Hospice would like to invite you to attend our annual Remember Me Tree Service. This event is an opportunity to pay tribute to family members and friends we have lost and ensure continued care to those who cannot afford it themselves.

Your purchase of a personalized ornament will allow us to provide care to patients in financial need. Proceeds will be used for medicines, supplies, equipment and services. A small portion of these funds also may be used for staff training and quality of life projects to benefit hospice patients and their families. We hope you will join us during this holiday season in honoring the memory of these very special people.

The lighting of the Remember Me Tree will be Sunday November 18, 2018 at 6:00 in the Atchison Hospital Lobby. You may direct questions to Christie Krick, Office Manager at (913) 360-5520.

-----Please detach -----

Donor's Name _____

Address _____ **City** _____ **State** _____ **Zip** _____

Phone _____

Would you like the ornament mailed to you after the holidays?
